

"Monterroso's kidnapping has become a symbol of Guatemala's collective trauma as the nation suffers through a huge surge in abductions and killings that has gone largely unnoticed internationally. It is a sad reminder that the past is the present and also probably the future, as long as impunity prevails."

— *The Washington Post*

DR. GLADYS MONTEROSSO
Guatemalan Law Professor
Human Rights Advocate
Torture Survivor

TUESDAY
OCTOBER 20

1pm Discussion
2pm Testimony
